### ● For a Life Time

Tyler and East Texas has enjoyed the art of A.C. Gentry. His work is collected throughout this region and elsewhere. A.C. Gentry paints nostalgic weathered buildings and scenes of East Texas from a bygone era. His rural scenes have made him a favorite East Texas artist. His sketches and paintings resonate within us and preserve our memories.

### ● Our Sponsors

Contributors to this presentation believe in the sponsorship of culture and the arts. They value the history preserved in the works of seasoned artists and welcome the development of new artists as Tyler takes a leading position on the cultural landscape. We invite our partners to join the artists' family and friends for the a private exhibition.

Your support represents your continued support of the arts and development of new creative minds. This event is free to the public, made possible by our generous sponsors and partners as we celebrate the arts and encourage the creative spirit of East Texas.

An A.C. Gentry Art Scholarship fund has been established at Tyler Junior College to encourage young artists. All unspecified sponsorships in excess of expenses for this event will go directly into this scholarship fund.

For more information about Sponsorship or if you would like to contribute directly to the scholarship fund, please call Valerie Dass at 903-530-7829.
